BEFORE

**Whether You Buy
One of Our
Refurbished Units
or You Have Your
Equipment
Refurbished...You'll
be Amazed How
PrintJet Breathes
New Life Into Used
Equipment!**

PrintJet backs all refurbished equipment with a 6 month warranty. Most customers are pleasantly surprised at the quality of PrintJet Refurbished Equipment. Customer testimonial letters available upon request.

Used equipment is also available at a lower cost "as-is" where the printer is only tested to see if it is operational.
